

# NATURE ACTIVITIES

12TH AND 13TH OF NOVEMBER

Magusto Festival

## QUINTA DO PISÃO

### PHOTO TRAPPING: WHAT IS IT AND WHAT ROLE DOES IT PLAY IN THE STUDY OF FAUNA AT QUINTA DO PISÃO?

6th of November

Have you ever heard of photo trapping? It is one of the techniques applied by Cascais Ambiente to study species with more elusive behaviors at Quinta do Pisão. Accompany one of our technicians in the field and learn about this technique and a little more about the fauna existing in the Nature Park.

09.30 am to 12.00 pm

4€ / participant

### WORKSHOP “ACORNS IN FOOD”

12th of November

The workshop begins with a conversation about the use of acorns as part of our food and about the Confraria Ibérica da Bolota. Then you can put your “hands-on” and make acorn meatballs! An activity for all ages, in celebration of the World Acorn Day!

11.00 am to 1.00 pm

10€ / participant

### HONEY TASTING AT QUINTA DO PISÃO

12th of November

Have you ever tasted the honey produced by bees from Quinta do Pisão? Come taste this excellent product and learn more about the importance of bees, and the production method of honey with our beekeeper!

2.30 pm to 3.30 pm

5€ / participant

### MUSICAL STORYTIME FROM THE BOOK “O ESQUILO E AS BOLOTAS PERDIDAS”

12th of November

Take part in the story hour set to music with Ana Stilwell from the book “O Esquilo e as Bolotas Perdidas” by Livros Horizonte. Get to know the story through the eyes and voice of the author and, if you wish, you can buy the book on site. This activity celebrates the World Acorn Day!

3.30 pm to 4.30 pm

Free

### MAGUSTO WORKSHOP

13th of November

The Magusto tradition includes roasted chestnuts. Did you know that chestnuts are the fruit of the chestnut tree, a common tree in Portugal? Come and learn more about these trees in a plastic arts workshop!

1st shift: 10.15 am to 10.45 am

2nd shift: 11.00 am to 11.30 am

3rd shift: 11.45 am to 12.15 pm

2,50€ / participant

### PERFORMANCE BY THE REGINA COELI CHILDREN’S CHOIR FROM LISBON

13th of November

Come and enjoy the performance of the Regina Coeli Children’s Choir from Lisbon, a choir that combines music with literature and corporal expression.

15.30 pm to 16.00 pm

Free

## USE OF MUSHROOM COMPOST IN VEGETABLE PRODUCTION

19th of November

Mushroom compost is an organic material that is left as waste after cultivation of mushrooms, and it is common to use straw, coffee grounds or manure as a base. Through this activity we intend to demonstrate the techniques and benefits of using this compost in organic farming. Join us!

10.30 am to 12.30 pm

Free

## ON THE TRACKS OF THE SORRAIA HORSES AT QUINTA DO PISÃO

20th of November

Did you know that Sorraia horses are one of the four horse breeds native to our country? Come meet the Sorraia horses on a walk where you will observe their characteristics and behavior, and learn about their important role in managing vegetation. We will also learn about some wild plants and other breeds such as the Campaniça sheep and Miranda donkey!

10.00 am to 1.00 pm

Adults: 15€ / participant

Children: 12 € / participant

## PEDRA AMARELA CAMPO BASE

### INAUGURATION OF THE NEW ZIPLINE AT PEDRA AMARELA

13th of November

Pedra Amarela Base Camp has a new zipline! Come and try this suspended adventure activity and slide down a steel cable between two points. It’s a “flight” always in safety. Let yourself go on this adventure in the middle of Nature!

1st shift: 10.00 am to 11.00 am

2nd shift: 11.30 am to 12.30 pm

3rd shift: 2.30 pm to 3.30 pm

4th shift: 4.00 pm to 5.00 pm

8€ / participant

## BORBOLETÁRIO

### POKÉMONS IN THE BUTTERFLY GARDEN

26th of November

Did you know that some pokémons are based on real insects, including butterflies in the different stages of their life cycle? In this activity you can see some examples of these insects and learn more about them!

10.30 am to 12.00 am

4€ / child
