QUINTA DO PISÃO

ON THE TRACKS OF THE SORRAIA HORSES AT QUINTA DO PISÃO

14th of January

Did you know that Sorraia horses are one of the four horse breeds native to our country? And that there are only about 200 horses in the world? Come meet the Sorraia horses that recently arrived at Quinta do Pisão, on a walk where you will observe their characteristics and behavior, and learn about their important role in vegetation management. We will also learn about some wild plants and other breeds such as the Campaniça sheeps and Miranda donkeys! This tour is part of the “Rewilding” exhibition.
